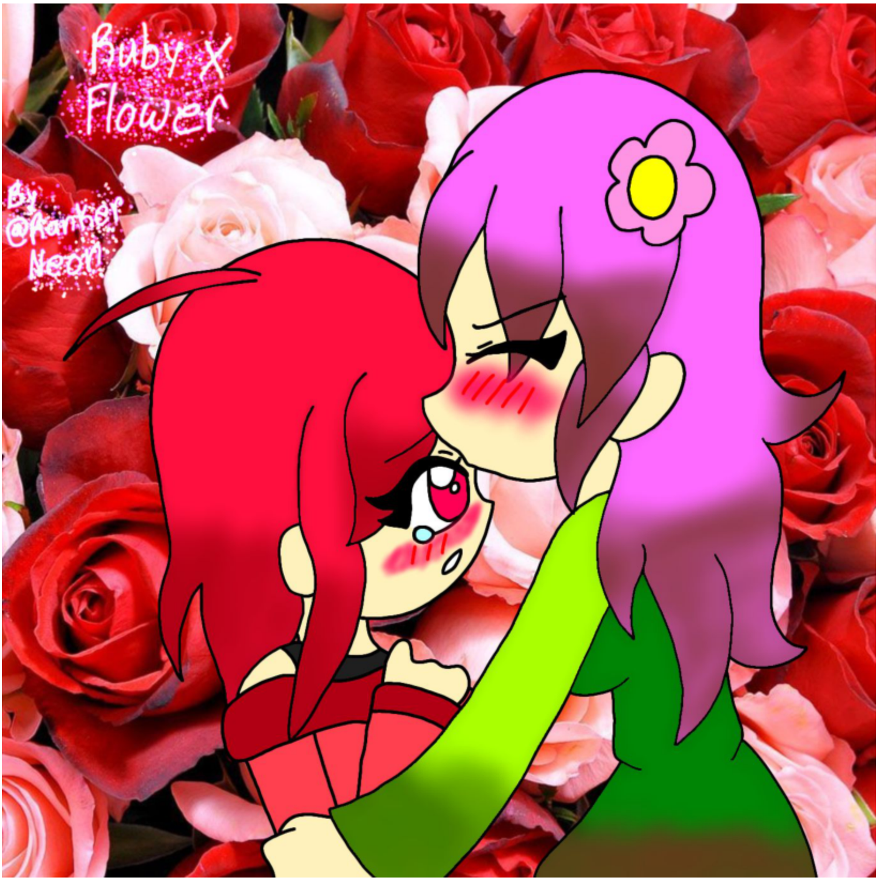
I couldn't find a single fanfiction about those two, and there's not much fanart of this ship anyways.

You can use it for a Book Cover if you want, but NO EDITING!!!

🌹Ruby x Flower🌺 Part 2



Ruby x Flower
By @Amber Neon

Them in an anime style, aka humanoid.

Ruby was feeling sad, but Flower gave her a kiss on the forehead to calm her down.

I'll be honest, the humanoid parts of the Oneshots or The Stories in one of them, I didn't have any interest, but I sometimes imagine them in their Object Selves.

But hey, I still support it!

And you can use it for a Book Cover too!

Please DO NOT EDIT!!!

Edit: OKAY I LIKE THE HUMANOID AU NOW.

Okay, I think I like the Human Au now.

This is the best one I ever made.

I ship those two so much that I had to draw this because it's 2 am rn and it's finally finished.

You may use this as a Book Cover for your stories.

TEXT ONLY FOR THE COVER, NO EDITING!!

💧 Teardrop 💧 Human/Anime Style

@Ranker

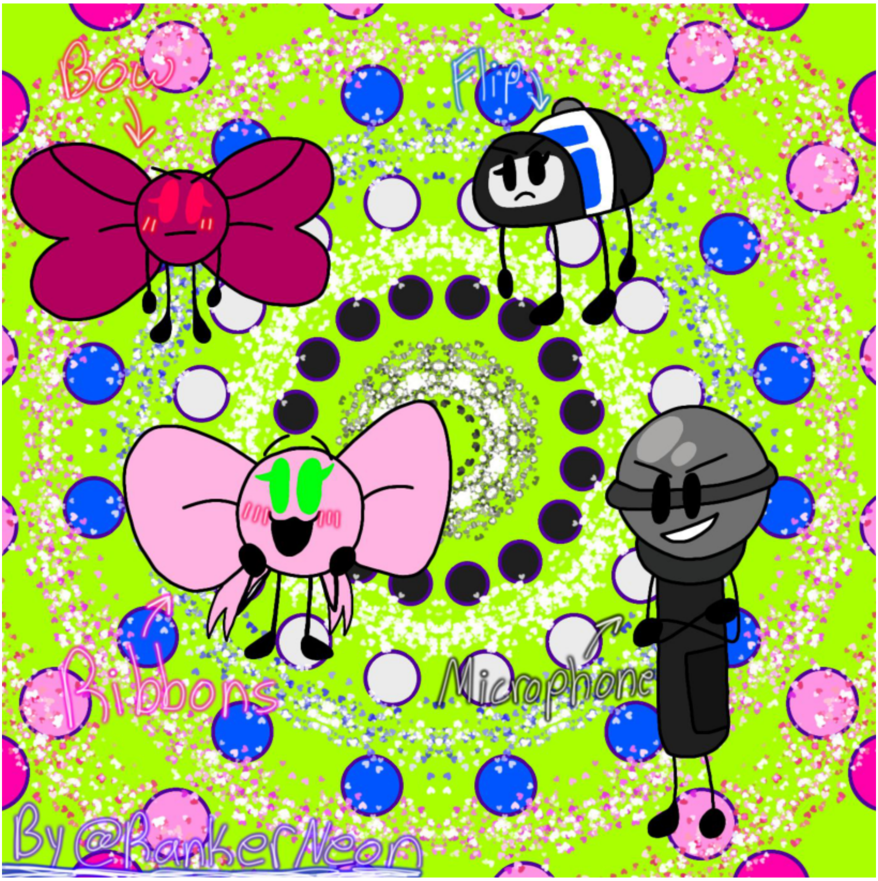
Teardrop is pretty much me right now because I never talk so much in public except with my friends.

So I drew her in a humanoid/anime style, because when I was looking at some Fireafy Fanfictions, people started drawing the objects as humans.

So it looked fun! I had to draw them in an anime style.

My Ocs (Part 1) -OLD-



Bow
Flip
Ribbons
Microphone
By @RankerNeon

So I thought about making myself some Object Ocs and I actually did!!

Names:

♀️Bow
♀️Ribbons
♀️Flip(me)
♂️Microphone

I might ship Microphone with Lollipop, Imma have to think about it.

Bow and Ribbons are lesbians, but they're just close friends and they don't realize they're feelings.

Flip is actually my Object Persona, and she looks kinda like my Splatoon Headgear.

Microphone is one heck of a good singer and rap battler, he would always sing the songs to the BFDI if one of them are feeling down or wanted to hear him sing.

I will draw what they look like as humans too. And they are gonna be in my Au Story of BFDI.

Inanimate Insanity, I'm gonna have to watch that too.

(Edit: I just realized that there's already a character Microphone, crap. But he's my BFDI Oc, so he's just a clone and it's unknown for everyone to find out why he's a clone. He told everyone to call him Micro or Mic as a nickname so that won't be confusing for the other Microphone.)

Edit pt 2: Microphone x Lollipop is not canon, I only ship my Oc, Microphone, with Necklace, my other Oc.

My Ocs (Part 2) -OLD-

My Oc as a human.
She looks like Junko Enoshima, I'm imagining that y'all would call her Pink Junko.

She's one happy and outgoing girl!

Imp.

YOU HAVE MY PERMISSION TO SHIP THESE TWO ONLY!!

In the human versions, Angela was kicked out of heaven and Devila escaped from hell and didn't want to go back, reason why is because she's doing too much tricks and pranks to the imps down there, she was supposed to be executed.

They both met and they didn't get along so well in the story, but they have teamed up in the Contests that Four asked to Bow, they did that so they could TRY to get along.

Chainsaw can speak Japanese. [Update: She doesn't speak Japanese no more.)

No art for today, but I wanna tell you guys this about my Oc, Chainsaw.

And yes, she was born with Taki's face, remember that she's not Taki, she is suppose to look like her, but they're nothing alike.

In my story and Aus, Chainsaw can speak Japanese, but she never talks or says anything much. No one can understand her, but Sword, Four, X, and The Announcer can understand her language. Sword is trying to teach her English.
They were both born in Japan, Sword rather speaks English instead of his Japanese Language because he's still learning English, when he met Chainsaw, he wanted to teach her to speak English.
No, I don't speak Japanese, I can only speak Spanish and English. I'm using Google Translate for my stories. If you're born in Japan, you can understand what she says in the comments so that people could know.

Oh, don't mind me using some pictures to show what her expression was.

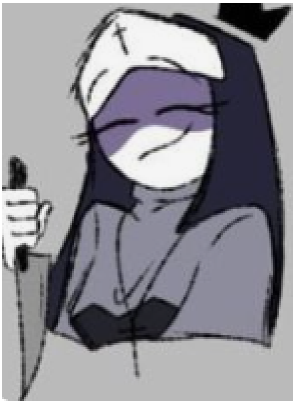
Here's a little fanfiction.

Chainsaw kills Marble

(Object Version AND WARNING!!)

Third Person's P.O.V:

Chainsaw was staring around, watching The Have Nots. She noticed Marble nearby as she stared at him. Marble noticed her as he backed away, he was scared of Chainsaw giving out a creepy stare like that.
"Okay, that creepy nun is staring at me, gotta keep my distance." Marble mutters a bit, Chainsaw can hear him mutter as she begins to get angry, but it was hidden with a smile.



She pulled out a knife that she kept as she began to chase after Marble for calling her that nickname. Marble screams as he runs away as fast as he could to not get killed.
"Hey, hey, hey!! Chainsaw, stop it!" Taco yells, defending Marble.
"What's with you?! Why are you trying to kill him?! Isn't he your friend?!"
"Taco, we're not even close friends!"
"........................."
Chainsaw just stared at her, not saying anything.
"Say something, nun girl. Why are you trying to kill him?"
Chainsaw snapped, she's starting to get even more angry, still hiding her angry expression with that smile of hers.

"たこちゃん。しないでください。これまで。電話。自分。それか。"

She slashed her knife at her tortilla, she now has a cut.

"Ow! Chainsaw, what was that for?!"
Marble then made a run for it as Chainsaw threw the knife in front of him, he froze.

"マーブルくん、どこにも行かないよ。タコちゃんを切り落とした後。"

"Since when can you talk?! I can't understand what you're saying in Japanese!!" Marble screams, he still can't move because of the fear. "L-Look, I'm sorry for calling you a creepy nun!! Really!! I'm sorry!!"

"ごめんね、マーブル君。そんな風に呼んだタコちゃんも殺してやる。"

She then kills Taco with the knife, and then she goes up to Marble, who backs away in fear. His back was against the rocky stone wall.

"あとで、マーブルくん...フォー様がすぐにあなたとタコちゃんを取り戻します。2 人で教訓を学び、私を「不気味な修道女」と呼ばないように気をつけてください。"

Blocky and Woody stopped her.
"Hey hey hey! Chainsaw, take it easy! Leave Marble alone!"
"Yeah! Don't kill him!"
Chainsaw stares at them.

"ブロッキーくん、ウッディくん......どっかへ。"

She grabbed their wrists and threw them aside. She stared at Marble with that smiling glare in her eyes. Marble shivers in fear.

"さて、あなたに戻ります。私があなたを殺してから、フォー様にあなたを取り戻してもらいましょう。私を不気味な修道女と呼ばないでください。"

With that, she killed Marble. Blocky and Woody are shocked, Chainsaw finally calms down and walks up to Four.

"Oh! Hello Chainsaw! How may I help you?"
"フォー様、マーブルくんとタコちゃんを取り戻せますか？"
"Sure!"

Then, Four recovered Marble and Taco. Chainsaw looked at them, crossing her arms.

"それは、決して私をそのように呼ばないようにするための教訓です。"

Marble and Taco didn't understand what she was saying.
"Oh, I'll translate that! She said: "That's a lesson for you two to never call me that." Also, Chainsaw what did they call you exactly?" Four asked, Chainsaw answered.
"マーブルくんとタコちゃんに「キモい修道女」と呼ばれたけど、そう呼ばれるのが嫌だった。私は彼らを殺さなければなりませんでした。"
"Ah, I see. Chainsaw said that you both called her Creepy Nun, she killed both of you because that'll teach you a lesson to never call her that again. Do you both understand?" Four said, Taco understood now.

"Oh, right. I'm sorry Chainsaw for calling you that, I won't say it again."
Chainsaw smiled and patted Taco.
"たこちゃん、ありがとう！"

"She says "Thank you, Taco." " Four translated.
Marble just couldn't help himself but said it again.
"But she is a creepy nun! She's so scary like this movie called The Nun!"

Chainsaw snapped as she stared at him.

"マーブルくん......もう殺さないで。"

Four then translates.
"She said: "Marble......don't make me kill you again." "
"W-What? I couldn't help it!!"
Chainsaw kicked him as he flew in the air.

"二度と私を「不気味な修道女」と呼ばないでください。それはあなたが私をそう呼ぶために得るものです。"

"She said: "Never call me a "Creepy Nun" ever again. That's what you get for calling me that."!"

It's a little short, but I hope you enjoy it, Chainsaw always has to kill or kick an object who calls her that nickname, Creepy Nun. She hates being called that.

See ya later in the next drawing I'll make!

🎄Merry Christmas!!🎄

By BFDIFlipTheCap
(💙RankerNeon💜)

Chainsaw gave her gifts to Woody and Blocky, because she likes them!
(She will not do her Murder Spree on them this time because Ribbons told her so.)

Story:

Chainsaw went up to Woody and Blocky with a smile on her face, the two boys noticed her as they waved.

"Hey Chainsaw! Cold weather out here, am I right?" Blocky asked, he elbowed her as she giggled.

"はい！(Yes!)"
Chainsaw took out two bags and handed them to the boys, they were shocked.

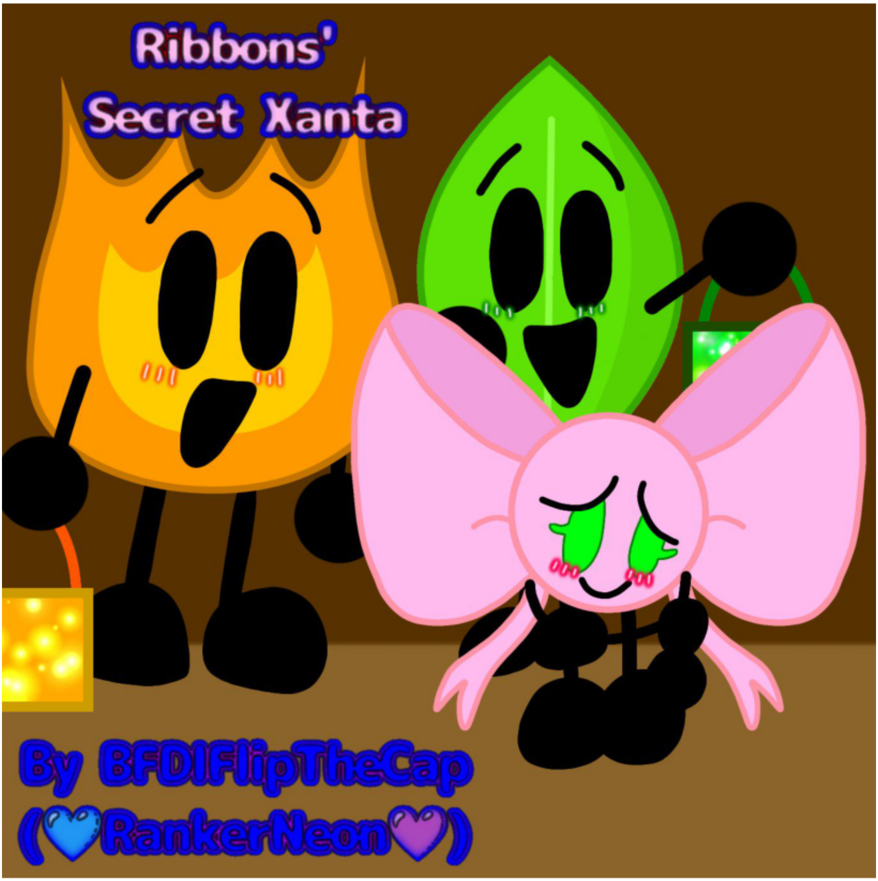
"Chainsaw, is this for us?" Woody asked, he's blushing a bit. Chainsaw nodded.

"うん！これらはあなたのためです、私はそれらを自分で作りました! (Yup! These are for you, I made them myself!)"
Blocky and Woody took the bags as they opened to see what was inside, they were surprised that it was wristbands that had their names on it. Chainsaw fiddles with her fingers shyly.

"どう思いますか？(What do you think?)"
Blocky and Woody smiled, they both can understand what she means, even when they reply to her Japanese Language.

"What do we think? We loved it! Thanks Chainsaw!"

Both boys hugged Chainsaw as she hugs both of them back, they put them on as Chainsaw clapped her hands happily.



Ribbons' Secret Xanta

(💙RankerNeon💜)

Ribbons bought her gifts for Firey and Leafy.

Story:

Inside the cabin, Ribbons held the two gifts tightly as she looked at Firey and Leafy nervously in the distance. She takes a deep breath, and walks over to them.

Come on Ribbons, you can do this....

Firey and Leafy noticed her as they both waved.

"Hey Ribbons!"
"Ribbie! How are you? This Christmas Party is awesome, right?"

Ribbons smiled.

"Yeah, it sure does."

Firey and Leafy noticed something in her hands.

"Ribbons, what's with the bags?" Firey asked.

Ribbons began to get nervous.

"I-I um...u-uhhh....h-here!"

She quickly handed the gifts to the fireball and the leaf. They were shocked as they took it.

"Are these for us?" Leafy asked, Ribbons nodded.

"Y-yeah...o-open them."

Firey and Leafy opened their gifts, they were surprised.

Inside, there were paintings of them.

"Ribbons....you made a painting of me?"
"I got the same thing as well Firey! Did you push yourself to make these for us?"

Ribbons nodded shyly and looked away.

"Y-Yeah, Flip taught me how to paint."

Firey and Leafy smiled as they both hugged Ribbons from behind.

"This is so sweet!! Thank you!!"

Flip, who is me, bought her gifts for Taco and Book.

Story:

Flip was outside, holding the gifts that she made in her hands. She tried to find Taco and Book, while she was looking for them, she found them, and they were holding hands. Flip went up to them.

"Hey Taco, Book!"

The girls looked to see Flip.

"Flip! How's it going?"
"Flippy! Great to see you!"

The three girls smiled at each other, then, Flip handed them her gifts to them, they were surprised as they took it.

"Flip, are these for us?"

Flip nodded to Taco.

"Yeah, why not take a look inside? There's something I made for you!"

Book and Taco looked to see what was inside. They were shocked to see handmade bracelets of their names on it.

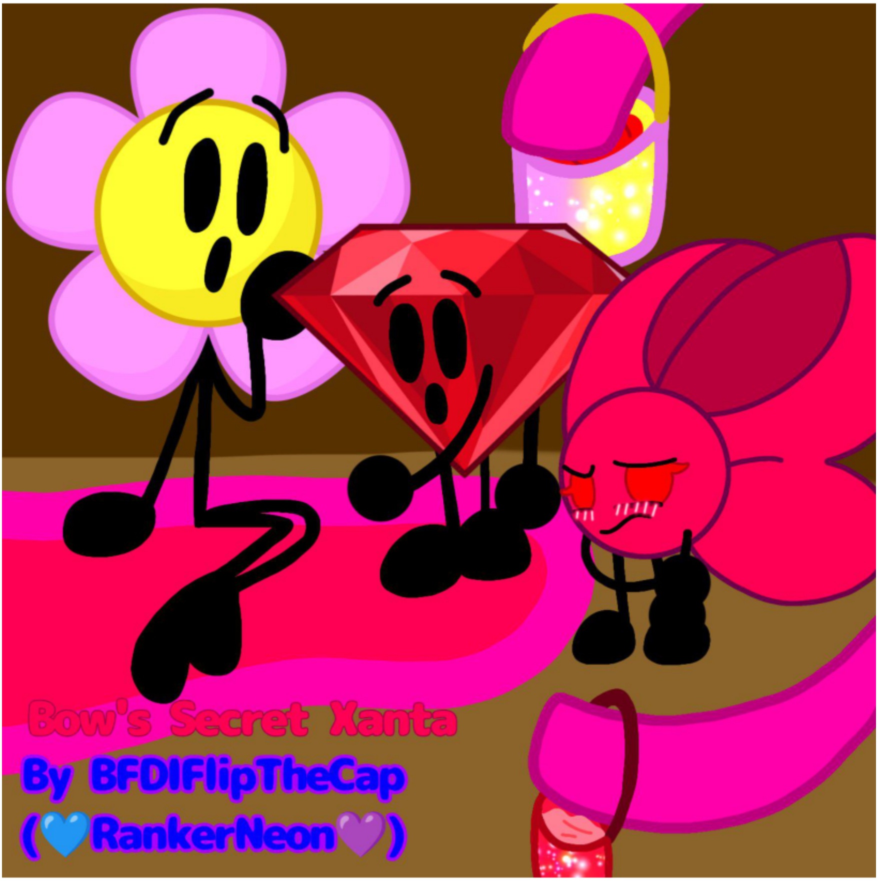
"Aw, Flip, you didn't have too!"
"These are so cute! We love them!"

Flip was shocked.

"Y-You do?"

The fish taco and dictionary smiled.

"Yes! We love it!!"



Bow's Secret Xanta
By BFDIFlipTheCap
(💙RankerNeon💜)

Bow was not much of a Gift Giver, she sometimes gets nervous when she gives them the gift. So she bought her gifts for Flower and Ruby.

Story:

Bow's face is full of pink, she walked up to Flower and Ruby, who were complimenting each other on how they look.

"You're so beautiful Flower!"
"Aw! Thanks Ruby!"

Bow slowly walked up to them, they notice her.

"Oh! Hey Bow!"

Bow couldn't say anything as she used her scarf and handed them her gifts. They were shocked.

"Bow, are these for us?" Ruby asked, Bow is embarrassed to say anything as she nodded, looking away.

They stared at it for a second as they took it. They both opened them to see handmade sweaters. Flower has a red one with Ruby's face one it and Ruby has a pink one with Flower's face on it.

They felt so happy.

"Bow, did you really make these for us?" Flower asked, Bow nodded her head, still embarrassed.

Flower and Ruby hugged Bow.

"We love them!! Thank you Bow!!"

Bow was shocked as she calmly smiled.

Well, Merry Christmas you guys!!

Who sings better?

Ruby and Microphone challenged each other to see who sings to their lover better.

Yes, you can ship Microphone and Necklace.

Microphone is bad at singing love songs btw.

Is it pronounced Gif or Jif? (Animation)

I'm too lazy to make a Thumbnail.

So have this because it's pronounced Jif.

Pregnant Meme (A few people keep harassing me over this.)

Ruby and Flower must've fucked last night.

I'm just kidding, it's impossible for lesbians to get pregnant.

I finished this animation today.

🍀Happy St. Patrick's Day!🍀

New Art Book, New Updates, New Designs

This book is so old and full of cringe.
Why are you still reading this??
Plz...

I have given my Ocs some redesigns.
All of my Ocs are adults.

Human Designs of the BFDI and I.I Contestants have updated to better looks and outfits.

Chainsaw doesn't speak Japanese anymore.
She finally succeeded in speaking English.
She doesn't talk much.
She has a gray arm on her left.
It's made of Gallium.
Those 3 lines on both of her eyes are actually her pupils.
Chainsaw is impossible to be eliminated or killed or defeated in the show.
Who knows if I'll ever make it happen or not.

Moonflower and Flip are both ex-girlfriends.
They never spoke to each other in years after what happened.
(I'm like a Ruby, and she's like a Flower. We're like the Flowby couple.)

Flip is canonically married in the show.
She has her husband and two kids.
(I'm not actually married irl. BUT I have a boyfriend. It's only my

Object Sona. I have two friends who considered me as their mom.)

Seed is 6 years old.
Loggy is 12 years old.
They're both orphans.
They treat each other like brothers until they decide to become brothers instead of being friends.

Angela and Devila are both stuffed dolls.

Microphone has demonic powers.
He can regenerate also and recovers quickly.
He sings a lot.
Necklace and Microphone are both dating.

Some of my Ocs in my own show have their magic powers.
1$ Coin and 50 Cents are the hosts.

My show is called Battle Royale For Chaos.
B.R.F.C for short.

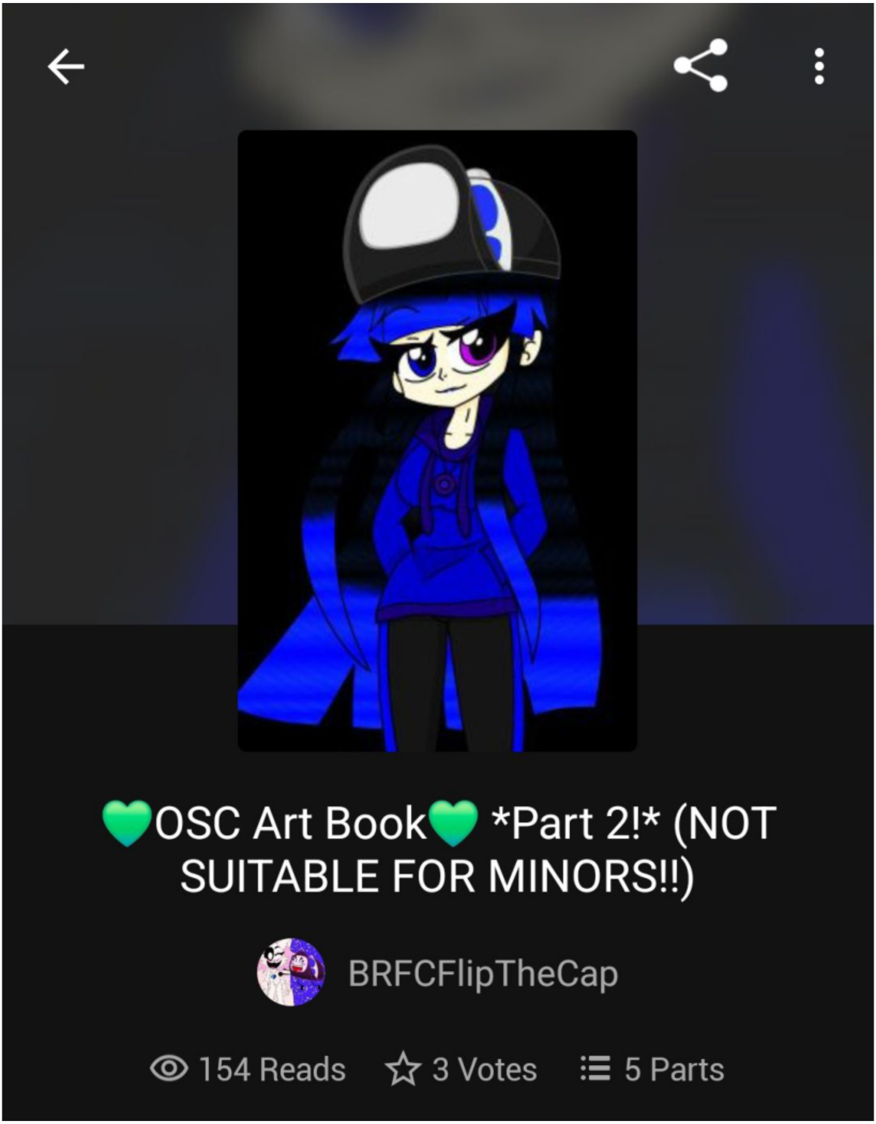
The teams have to face the other teams in the challenges. The last team loses the challenge and will be up for elimination.

The bottom two of the remaining team will have to face each other in the Elimination Battlefield, meaning that they will use their magic abilities to fight.
The winner will get to stay in the contest for another day while the loser has to go in the Elimination Dungeon.

So yes, that's my idea.

I really wanna bring my show to life, but I have to find some voice actors, background artists, editors, music, and audio.
That is if my laziness didn't take over.

Anyway, here's the new second OSC Artbook.
My artstyle has changed.



💚OSC Art Book💚 *Part 2!* (NOT SUITABLE FOR MINORS!!)
